

Poole Park Life Adopt a Tree Scheme

2020-2021

The list below should be read in conjunction with the map of the park showing approximate areas that trees will be planted over Winter 2020/21.
Thank you for considering adopting a tree in Poole Park, every adoption helps us to maintain these trees and plant more in the future.

Location ref:	Tree Location name	Tree reference	Tree common name	Tree latin name	Number available for adoption	Number Adopted	Notes
1	West Avenue & Norton's Gate	T1 - T20	Hornbeam	Carpinus betulus	8		Large tree, grey fluted trunk, clear yellow leaves in autumn.
			Small leaf lime	Tilia cordata	6		Uniform size and shape, heart shaped leaves
			English Oak	Quercus robur	6		Heavy limbed and broadly oval shape, great wildlife host
2	Middle and East Avenue	T21 – T34	Hornbeam	Carpinus betulus	6		Large tree, grey fluted trunk, clear yellow leaves in autumn.
			English Oak	Quercus robur	6		Heavy limbed and broadly oval shape, great wildlife host
			Pin Oak	Quercus palustris	2		Tough and tolerant of high water table. Large pyramidal shape.
3	Westfield Promontory	T35 – T37	Giant redwood	Sequoiadendron gigantea	3		Quick growing, large evergreen conifer, red-brown bark.
4	Westfield car park	T38 – T42	Small leaf lime	Tilia cordata	5		Uniform size and shape, heart shaped leaves
5	War Memorial & Leaning tree area	T43 – T48	Pine	Pinus maritima	3		Bark is orange red, small cones
			Pine	Pinus pinaster	3		Shiny brown cones grow to about 18cm long
6	Middle Gate	T49 – T57	Hornbeam	Carpinus betulus	4		Large tree, grey fluted trunk, clear yellow leaves in autumn.
			English Oak	Quercus robur	2		Heavy limbed and broadly oval shape, great wildlife host
			Pin Oak	Quercus palustris	3		Tough and tolerant of high water table. Large pyramidal shape.
7	Cricket pitch west	T57 – T63	Sweet gum	Liriodendron styraciflua	1		Deeply cut star like leaves with lovely autumn colour
			Tulip Tree	Liriodendron tulipifera	1		Tulip shaped flowers in June and July in older trees
			Indian horse Chestnut	Aesculus indica	2		Deep cut leaves, hopefully immune to diseases found in UK horse chestnut
			Snakebark Maple	Acer rufrinerve	3		Multi-stemmed tree with highly decorative bark
8	Cricket pitch east	T61 – T72	Japanese Zelkova	Zelkova serrata	1		Soft grey bark with lovely autumn colour
			Hornbeam	Carpinus betulus	2		Large tree, grey fluted trunk, clear yellow leaves in autumn.
			Pin Oak	Quercus palustris	2		Tough and tolerant of high water table. Large pyramidal shape.
			English Oak	Quercus robur	4		Heavy limbed and broadly oval shape, great wildlife host
9	Copse Close	T73 – T75	Horse Chestnut	Aesculus hippocastanum	3		Late spring flowers with large white 'candles', conkers in autumn
10	Whitecliff Road entrance	T76 – T82	Pine	Pinus maritima	3		Bark is orange red, small cones
			Pine	Pinus pinaster	3		Shiny brown cones grow to about 18cm long
